***PROUDLY SUPPORTED BY***

**Roche / GSK; sanofi-aventis and P & G Pharmaceuticals;  
Merck Sharp & Dohme; Wyeth Consumer Healthcare; Servier Laboratories;  
Eli Lilly; Fonterra Brands**

**Osteoporosis Australia (OA)  
& Australian and New Zealand Bone and Mineral Society (ANZBMS)  
Clinical Update Day**

## **Clinical Update Day**

The Clinical Update, to be held on Saturday 21 October, will offer clinicians and health professionals from around Australia an overview of the most recent developments in the diagnosis, prevention and treatment of osteoporosis and fractures. It will also include some hot topics – such as patient compliance with therapy, osteoporosis in the very old, vitamin D deficiency and new horizons in therapy.

This Clinical Update Day offers a unique opportunity for any health professional with an interest in bone, to hear some of Australia's and New Zealand's leading bone experts present the latest evidence-based research and practical recommendations on fracture prevention and management. It will also offer a great forum for stimulating interaction and exchange of ideas with clinicians, other health professionals, scientists and others.

## **Venue and Car Parking**

Brisbane Convention Centre, Southbank, Brisbane. Car parking is available at the Convention Centre Car Park.

## **Accommodation**
