

ANZBMS e-News

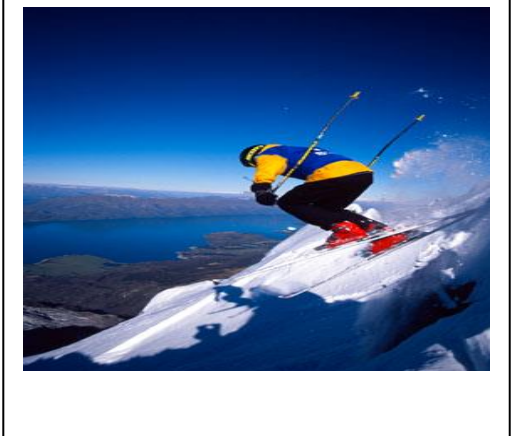

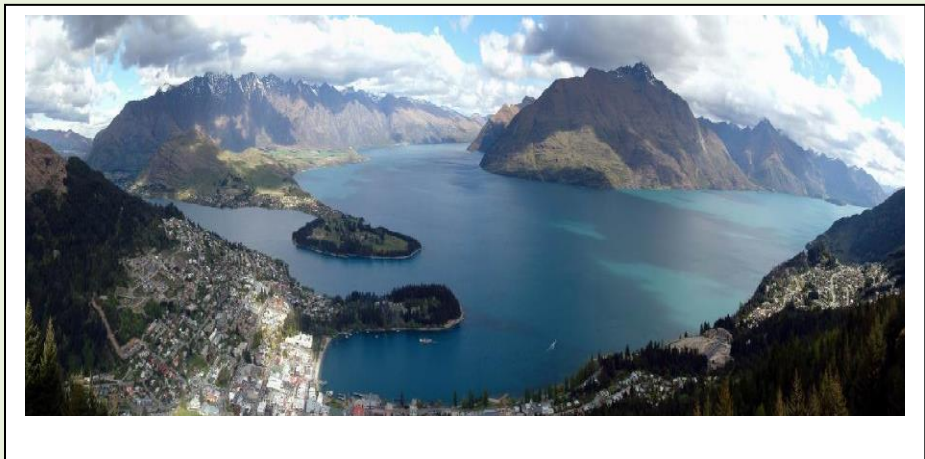

11 October 2013

**The 24th Annual Meeting of the
Australian and New Zealand Bone and Mineral Society**

Sunday 7 September – Wednesday 10 September 2014
Millennium Hotel, Queenstown, New Zealand

Chair: Ian Reid Co-Chair: Jill Cornish

**ANZBMS 25th Anniversary Newsletter available
to download**

<https://www.anzbms.org.au/anzbms-25th-anniversary.asp>

ANZBMS Densitometry Courses
Two courses are to be conducted: New Zealand
and Brisbane

Date: 19 & 20 October 2013
Venue:
Faculty of Medical and Health Sciences
85 Park Road
Grafton, Auckland, N.Z.
Cost :
Early bird NZ\$720
Late: NZ\$795 (after 1 August 2013)
Closing dates:
Early Bird - 19-Sep-2013

Herbert Fleish Workshop

16-18 March 2014, Brugge, Belgium

Website: <http://www.ibmsonline.org/p/cm/ld/fid=202>

Submit Your Abstract Today

Workshop attendance is limited to 150 attendees

The aim of this meeting is to bring together young investigators for vigorous data discussion and networking. **Students, postdocs, and early stage PI's are therefore particularly encouraged to submit an abstract. All aspects of bone biology, basic and applied, are welcomed.** The following sessions will be covered by the six invited plenary speakers during the meeting:

- Osteo-anabolic research and osteoblast biology
- Mechanisms of skeletal diseases and translational research
- Skeletal development and growth
- Human and mouse genetics of skeletal diseases
- Mechano-biology of bone, fracture repair and skeletal regeneration
- Integrative physiology

There will be both oral and poster presentations at the meeting, with **much emphasis on discussion of posters, including active participation of the invited senior scientists**. People selected for oral presentation are therefore encouraged to also bring a poster about their work.

All are welcome as participants, with priority in programming given to young investigators.

Online Registration Now Open!

IBMS Members Receive Discounted Registration Rate

Registration Type	Member Fee	Non-Member Fee
Investigators submitting an abstract	200 USD Approx: 150 Euros	265 USD Approx: 200 Euros
Investigators not submitting an abstract	335 USD Approx: 250 Euros	400 USD Approx: 300 Euros

1,250 Euros for investigators representing pharmaceutical research centers, who are not sponsoring the meeting through an educational grant, regardless of whether they are members or submitting an abstract.

ANZBMS members are automatic IBMS members and receive the discounted registration fee.

Calendar

7-9 November 2013 13th International Conference on Cancer-Induced Bone Disease, **Miami, Florida USA**
Website: www.ibmsonline.org

17-20 November 2013
ASMR National Scientific Conference
Ballarat Lodge, Victoria
<http://asmr-nsc.org.au/>

20-22 November 2013
Frontiers in Skeletal Biology
Garvan Institute, Sydney
<http://www.garvan.org.au/symposium/frontiers>

2-3 December 2013 2nd Annual Hip Fracture Management Conference, Melbourne
<http://www.healthcareconferences.com.au/healthcare-conferences/healthcare/hip-fracture-management-conference>

12-15 December 2013 IOF Regionals – 4th Asia Pacific Osteoporosis Meeting, Hong Kong Website:
<http://www.iofbonehealth.org/hongkong-2013>

28-31 March 2014 The Eight Clare Bone Meeting
Clare, South Australia
<http://www.themeetingpeople.com.au/CLARE>

16-19 October 2014 7th International conference on Osteoporosis and Bone Research

The Garvan Institute is celebrating its 50th Anniversary this year and is marking this special occasion by holding the **"Frontiers in Skeletal Biology"** meeting on **20-22 November 2013** (<http://www.garvan.org.au/symposium/frontiers>).
Xiamen, China
www.csobmr.org.cn/2014

As **space is limited** we are writing to remind you and any members of your group to register for the event (<http://www.garvan.org.au/symposium/frontiers/registration>). The event is free to all participants; however, we do need to know numbers for logistical purposes.

The meeting is designed specifically to maximise audience participation and to create a forum for open discussion and exchange of ideas. There will be an emphasis on involving young investigators and therefore we would encourage you and members of your group to submit abstracts for presentation and potential discussion within the oral poster sessions. The abstracts will not be published formally so they could be abstracts submitted to recent meetings such as ASBMR, ANZBMS or CABS. Priority for selected oral presentations and for short oral poster presentations will be given to those that were not selected for oral presentation at the recent ANZBMS meeting. Please check the meeting website for the Guidelines and Instructions for submitting abstracts.

The deadline for submission of abstracts has been extended to Friday 18th October.

We sincerely hope you and your team can make it to the meeting, which is sure to be a special occasion.

Kind regards

Peter Croucher
John Eisman
Paul Baldock
Mike Rogers
Jackie Center
Tuan Nguyen

Eighth Clare Bone Meeting

28-31 March 2014

Clare Convention Centre, Clare Valley, South Australia

Website: <http://www.themeetingpeople.com.au/CLARE>

We look forward to welcoming you to the Eighth Clare Valley Bone Meeting to be held from 28-31 March 2014. This venue, 130 kilometres north of Adelaide, has been the location for seven highly successful previous meetings. As before, the Clare Bone Meeting will be a multi-disciplinary workshop for clinicians, basic scientists and health professionals working on bone and joint.

We are developing an exciting and comprehensive program, which will feature prominent experts from Australia and overseas. In order to optimise interaction and discussion, the meeting will be small, with approximately 80 national and international participants. It is our experience that these meetings, which have the dual role of acquainting scientists with clinical realities, and clinicians with new understanding from research, are immensely valuable tools for enhancing learning, research and collaborative networks. The popularity of these meetings is in no small way due to our approach to intentionally cross disciplines, so that the meeting provides insights that are rarely obtainable from meetings on the regular conference calendar.

Topics will span all the way from the clinic, to preclinical models to cell and molecular biology, seeking understanding of disease conditions and ways to translate basic science findings.

We look forward to your participation at next year's meeting.

Convenors

Tony Pohl, David Findlay, Gerald Atkins and Paul Anderson

WHEN:

The first 2013 meetings Sydney Bone Group meeting will be held on the **Wednesday 6th November 2013**.

WHERE:

The Royal Sydney Yacht Squadron
Shell Cove Room, Top Floor
33 Peel Street, Kirribilli
(Parking available underneath, free of charge)

CONTACT:

Co-conveners for the 2013 SBG are:
Hala Zreiqat (hala.zreiqat@sydney.edu.au) and Katherine Benson (katherinebenson@inet.net.au)

MEETING:

Wednesday 6th November 2013
Time: 6:00 pm drinks for a 6:30 pm start

Presentations:

Genomic and functional elucidation of the disease process in ankylosing spondylitis - beyond GWAS
Gethin Thomas

A case of sarco-osteoporosis: More serious than we thought

Oddom Demontiero

RSVP:

We will dine during the talks, so if people could get back to me by **Thursday 31st**

Hala Zreiqat hala.zreiqat@sydney.edu.au

Proudly sponsored by Novartis
