

Australian and New Zealand Bone and Mineral Society  
Advanced Clinical Postgraduate Meeting 2019

**Saturday 14 September 2019**

*Medical Education Centre, Concord Hospital, Sydney, NSW*

The Australian and New Zealand Bone and Mineral Society invites you to attend the 2019 Advanced Clinical Postgraduate Meeting in Bone Disease.

Specialist training in the management of bone and mineral diseases is an expanding field with clinical significance across numerous disciplines including endocrinology, rheumatology, rehabilitation and geriatric medicine, orthopaedic surgery as well as general medicine.

Topics to be covered:

- *The latest information on best practice in diagnosis and treatment of bone and mineral disease;*
- *Critical evaluation of current management strategies and their underlying scientific evidence;*
- *Coalface perspectives on current progress in bone and mineral disease.*

#### REGISTRATION

**Cost of meeting:**

Non-ANZBMS member - AUD \$190 (GSTinc)  
ANZBMS member - AUD \$110 (GSTinc)

#### VENUE

Medical Education Centre  
Concord Hospital  
Gate 3, Hospital Road
